Sir:

In reply to the Office Action dated March 3, 2003, please amend the above-identified application as follows:

IN THE SPECIFICATION

Please amend the specification as follows:

[0039] The seat portion 28 shown in FIG. 1 may be sized to accommodate (1) a driver and (2) a passenger rearwardly of and in tandem with the driver. It is understood, however, that this is exemplary only and not intended to limit the use of ~~an~~ a detachable windshield assembly 10 constructed according to the principles of the present invention to snowmobiles 12 that accommodate only one or two people. A seat portion that accommodates more people could be provided on the snowmobile 12. For example, the detachable windshield assembly 10 may be provided on a snowmobile including a seat portion that is sized to accommodate three riders.
